1.1.2 throughout this document:

- (a) The “Applicant” means the bidder submitting an application; and
- (b) “Application” means a bid or submission to be short-listed.

1.2 Source of Funds

1.2.1 AORW-U has an approved budget towards the cost of the procurements described in **Appendix B**. The Procurement Department intends to use these funds for payments under the contract(s) resulting from the bidding for which this short list is conducted.

1.3 Corrupt Practices

1.3.1 It is AORW-U’s policy to require that all Applicants and Providers observe the highest standards of ethics during procurement and the execution of contracts. In pursuit of this policy AORW-U is represented by the management. (herein referred to as the evaluation committee):

- (a) Defines, for the purposes of this provision, the terms set forth below as follows:

 - (ii) “Fraudulent practice” includes a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Procuring and Disposing Entity, and includes collusive practices among Providers prior to or after bid submission designed to establish bid prices at artificial, non-competitive levels and to deprive the Procuring and Disposing Entity of the benefits of free and open competition;
- (b) will reject a recommendation for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the Contract; and
- (c) will suspend a Provider from engaging in any AORW-U procurement proceeding for a stated period of time, if it at any time determines that the Provider has engaged in corrupt or fraudulent practices in competing for, or in executing, an AORW-U’s contract.

1.3.2 In pursuit of the policy, AORW-U requires representatives of the Suppliers and Service Providers to adhere to the relevant codes of ethical conduct. The Code of Ethical Conduct for Suppliers and Service Providers is available from AORW-U management team and Providers are required to indicate their acceptance of this code through the declarations in the **Application Submission Sheet**.
